Sub: PISA Assessment Information for Parents

Dear Parents,

As part of Abu Dhabi's commitment to improving education, our school is participating in the **Programme for International Student Assessment (PISA)**, organized by the **Organisation for Economic Cooperation and Development (OECD)**.

We are pleased to inform you that **your son is one among the 42 students selected** to take part in this important international assessment. PISA measures skills in **Reading, Mathematics, Science, and Critical Thinking** for 15-year-olds across more than 90 countries.

This is a great opportunity for your son to experience a global assessment and understand how his skills compare internationally. PISA focuses on real-world problem-solving, helping students recognize their strengths and areas for improvement.

We encourage you to support and motivate your son to participate actively, as it not only benefits his learning but also contributes to our school's growth and improvement.

The detailed test schedule will be shared soon.

Best regards,

Principal
