Sub:Support and Instructions for Grade 12 Graduates – ADEK Circular

Dear Parents,

We would like to inform you that the Abu Dhabi Department of Education and Knowledge (ADEK) is providing support to all Grade 12 students who have successfully completed their studies for the academic year 2024–25. This support is aimed at ensuring a smooth transition for students as they move on to higher education or other future pathways.

To facilitate the timely issuance of all necessary post-graduation documents, ADEK has released an official circular containing important information and detailed instructions. We kindly request you to review the circular carefully, as it outlines the essential steps and requirements involved in the process.

Please ensure that all relevant actions are completed promptly in accordance with the guidelines provided.

Warm regards,

Principal
