Dear Parents,

We are delighted to wish all our students and families a joyful and prosperous academic year ahead!

As part of our **commitment to excellent service**, we would like to share some updates regarding our school transport services, which we have entrusted to **Golden Cosmos Passenger Transport** - an esteemed service provider with over ten years of experience with us.

Here are some key highlights of our transport service:

- **Student Safety First** - Our fleet consists of nearly 100 buses, all meticulously maintained to meet the highest safety standards mandated by the school and relevant authorities.
- **Service Quality** - Most of our buses are brand new, operated by skilled drivers, and supported by caring, trained female bus supervisors.
- **CCTV Surveillance** - Each bus is fitted with advanced CCTV cameras, ensuring continuous monitoring in accordance with RTA and KHDA requirements.
- **SMART Bus Attendance System** - We utilize a handheld device to electronically record the student attendance, which is reviewed daily for your reassurance.
- **New Vehicle Tracking Feature** (Launching Soon) - Parents will soon have the ability to track bus pick-up and drop-off times, as well as real-time bus movements, with instant notifications through the school diary app.
- **Affordable Fee Structure** - Our transport fees are among the most competitive available, providing exceptional service without compromising on safety or quality.
- **Encouraging School Transport Use** - In our effort to enhance safety and alleviate any traffic congestion, we strongly encourage parents to opt for our reliable and affordable school transport service over private car rides.

For transport registration or any inquiries, please feel free to reach out to our school transport office. (Contact: **04- 2824313 – Ext. 31 & 64**) Email: **transportsection@nimsdxb.com**
