Dear Parent,
Greetings from New Indian Model School, Dubai.

Dubai's **Knowledge and Human Development Authority (KHDA)** has introduced a new policy designed to enhance Arabic language education for our young learners.

- Under this initiative, all private schools and early childhood centres in Dubai are required to provide **Arabic language education** for children **from birth to six years old**.
- The program aims to nurture **early Arabic language skills** in a joyful and culturally enriching manner, while fostering pride in Emirati heritage and identity.
- A play-based, inquiry-driven approach will be adopted, with flexibility for schools to implement varied teaching models suited to both native and non-native Arabic speakers.
- To create an engaging and meaningful learning experience, at least **one-third of the instructional time** will be dedicated to interactive, culturally relevant activities.
- To support the effective execution of this program, we have partnered with a specialised service provider. A nominal fee of **AED 30** has been included in the overall fee structure to cover this service.

We appreciate your understanding and cooperation as we implement this initiative.

Warm regards,

Supriya Sehgal
Principal
