CIRCULAR and the user guide of Digi locker

Activation of Digi Locker Accounts for CBSE Documents (Grade 11)

Dear Parents,

Greetings from New Indian Model School!!

We are pleased to inform you that CBSE has provided the necessary credentials and a user guide for activating Digi Locker accounts. Digi Locker is a secure platform developed by the Ministry of Electronics and Information Technology, Government of India, which enables students to access their academic documents such as the **Class X and XII Marksheet-cum-Certificate** and **Migration Certificate** in digital format. These documents are digitally signed, legally valid, and can be used for further education and verification purposes.

To facilitate this, a **stepwise user guide** has been attached for your reference. Students are required to activate their Digi Locker account **after the CBSE results are declared** by following the instructions provided.

The **User ID and Password** must be collected from the respective class teacher.

We request your kind cooperation in ensuring that this process is completed at the earliest.

Good luck to all students for their upcoming results!

Regards,

Principal
