

NIMS SHJ

GAZETTE

APRIL TO JUNE 2024

HOS MESSAGE

Dear Parents, Students, and Staff,

Every day at our school is an opportunity to instill knowledge, cultivate skills, and foster growth. Our newsletter serves as a vital tool in this continuous journey of learning, offering insights into the dynamic activities that transform our school into a bustling beehive of creativity and discovery.

Education is not confined to the pages of textbooks; it is a lifelong endeavor. At our school, we recognize and nurture the potential within each student. Just as a skilled carpenter uses a chisel to smooth and perfect the wood, our dedicated teachers work tirelessly to refine and enhance the talents and skills of every child. Through a diverse array of activities and learning opportunities, we ensure that our students are well-equipped with the essential skills needed for the 21st century.

Our newsletter keeps you informed about the myriad of opportunities available to our students, from academic achievements and extracurricular successes to innovative projects and community involvement. It highlights the ways in which we support each child's unique journey, encouraging them to explore, create, and excel.

We are committed to providing an environment where every student can thrive, and our newsletter is a testament to the collective efforts of our educators, students, and parents. Together, we create a vibrant learning community that prepares our children for the future.

Warm regards,

Mr. Arif Karuppamveettil

Head of Section 6-10 (Boys & Girls)
