

New Indian Model School Sharjah

GAZETTE OCTOBER_2024

Message from our HOS:

October has been a vibrant month filled with a host of activities both in and beyond the classroom. Our students embraced the concept of learning beyond textbooks, engaging deeply in hands-on experiences, intensive practice, and dedicated teamwork.

In sports, our PE teachers and students achieved remarkable success. Our girls proudly clinched the Inter NIMS Basketball Championship title and the boys secured the runners-up position in the CBSE Cluster Volleyball Tournament. These accomplishments are a testament to the relentless commitment of our athletes and coaches.

In celebration of Arabic language and culture, our recent Arabic Festival showcased students' outstanding communication skills, further enhancing their language proficiency and cultural appreciation.

As we move forward, I encourage all students to keep pace with their studies and stay updated daily. Reading should be a priority for knowledge enhancement, while we continue to develop advanced skills in robotics and STEM. These skills will equip our students with the tools they need for a successful future in an increasingly technological world.

Mr. Arif Karuppamveetil

Head of boys and girls section (6-10)

Message from Head of teaching and learning

Hope is passion for what is possible' Soren Kierkegaard.

As this month comes to a close, we are extremely proud to showcase what our children have made possible due to their passion, perseverance and determination. They have participated in inter school competitions, ted talks, sport activities and brought laurels and joy to the school and our fraternity. However, i am also aware that all these achievements are nurtured by a lot of helpful hands, quietly doing their jobs, with just the satisfaction of seeing our children shine on the big stage. My gratitude goes to our patient parents, dedicated teachers and ever supportive Principal and Management who have guided and supported us along the way.

**Great achievement children, we are proud.
Saleena Pannikote.**

The NIMSIAN Business mind:

On October 21, 2024, the Commerce Department hosted an engaging Commerce Day, coordinated by teachers Mr. Jaleel, Mrs. Naila, and Mrs. Mubeena, with Fayiz Muhammed from 12D as anchor. The event featured a Quran recitation by Haqq (11G) and an inauguration by Mrs. Saleena Pannikkotte. Highlights included the "Meet the Entrepreneurs" segment, with students portraying iconic business figures, and a Model Bank setup by 11th-grade students. Judges awarded Shammil (12D) first place, Asadullah (11G) second, and Isteak (11G) third. The day concluded with a vote of thanks and a photo session.

The Science of Meatless meats:

Students from 11th and 12th grades of our school participated in Gulf Medical University (GMU) Annual Science Exhibition 2024 with their project named NATURE'S KISS which features their innovative idea of crafting meat from plant derivatives only. Even though they didn't get the price for their product they won the hearts of many viewers due to their presentation and speaking skills

____Learning consortium:____

Master Alvin, the Head Boy of our school, has been awarded first prize in the *Courageous Speaker* category at the Learning Consortium organized by ASPAM Indian International School, Sharjah.

____Meet the leaders:____

The Social Science Department conducted 'Meet the leader' competition with a difference in this academic year (2024-25) on 16.10.2022(Wednesday) as a part of Gandhi Jayanti Celebration at E-Library. MOHAN CHOWDHURY of Grade VII G handled the role of Mahatma Gandhi and inspired the participants and audience with his inspiring words on Gandhian ideology. A total of 21 participants represented different leaders in this programme.

Flora and Fauna:

The students of 6-9 Boys sections held a campaign under the supervision of Science club to plant several saplings and plants around the school. Most possible places were planted and are watered frequently by the students. This campaign helped to instill a sense of love for nature in the children's mind.

__UN Day Celebrations:__

On account of UN DAY celebration, The MUN club of New Indian Model School Sharjah organised Model United Nations on 24/10/2024 at the E-Library. The theme of this year's conference was "Global Cooperation for Sustainable Development," focusing on how countries can work together to address pressing global issues.

__Inter NIMS TED talk:__

The NIMS Inter-School TED Talk Competition brought together talented students from various schools, showcasing their public speaking skills and innovative ideas. The event was held at NIMS Sharjah and served as a platform for students to express their thoughts on relevant global issues. NIMS Sharjah with its outstanding performance bagged the overall trophy....

Thank you
