KINDERGARTEN

APRIL 2025

Developing resilient and morally upright leaders who strive for excellence.

KINDERGARTEN

Kindergarten:
where little hands
have big ideas and
hearts are full of
wonder.
- Unknown

Dear Parents,

Greetings from NIMS, Sharjah!

A refreshing start to the new academic year brings in hope of joyful learning and exploration of potential talents and varied opportunities. We know a strong partnership with you will make a significant difference in your child's education. As a school community, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. As you browse through the newsletter, read with joy the exciting happenings in the Kindergarten.

Happy reading!
Nusrat Syed

Behavioral Management System (BMS)

14th April, 2025

An orientation program was held to raise awareness about school rules and responsibilities. Students were reminded that while they have the right to a positive learning environment, they also share the responsibility to maintain it.

School Safari

17th April, 2025

The aim of the School Safari was to familiarize students with the surroundings of NIMS and introduce them to key areas on campus. The children toured various locations, met staff in their offices, and enjoyed every moment. Their favorite spot was the play area with swings and slides. A group photo captured their joyful faces.

World Earth Day

22nd April, 2025

The kindergartners celebrated World Earth Day with fun, age-appropriate activities to build environmental awareness and responsibility. The students formed the shape of the Earth by standing in proper positions and colors.

Phonodrill with Parents

26th April, 2025

Kindergarten held a fun and interactive Phonodrill session with parents to strengthen letter-sound recognition. Parents joined their children in engaging drills and games, making learning enjoyable and reinforcing the value of parental involvement in early literacy.

World Safety Day

28th April, 2025

To raise safety awareness among kindergarteners, a fun session introduced the "Safety Circle"—trusted adults they can turn to when feeling unsafe. The teacher used simple stories and examples to explain safe vs. unsafe situations on World Safety Day.

What a wonderful month we've had in kindergarten! Our little learners explored, created, and celebrated together. Each moment was full of smiles and learning. Thank you to all the parents for your support and to our amazing kids for making every day special. We can't wait to see what next month brings!

*Thank
You*
